Vision

Ensure nurses for tomorrow.

Mission

To be the premier charitable organization for professional nurses in the Commonwealth of Pennsylvania.
The Nursing Foundation of Pennsylvania (NFP) was founded in 1983 as a private 501 (c)(3) foundation. Headquartered in Harrisburg, Pennsylvania, NFP provides charitable support to the Pennsylvania Nurses Association (PSNA). In 2009, NFP committed to bolstering public and private confidence by improving its structure, revitalizing processes, and enhancing fundraising. Through diligent work, NFP acquired the Seal of Accreditation for Standards for Excellence from the Pennsylvania Association of Nonprofit Organizations (PANO). With these standards, donors, corporations, and foundations know that NFP meets their needs through ethical practices and accountability.

Thanks to bequests and gifts from our friends, NFP continues to grow its scholarship and memorial programs. NFP proudly helps nursing students and professionals to be well prepared for the years of service they will provide through continuing education, respect, care, and leadership.
